The New National Raid. disposed to adopt it, another Notional had a more brilliant and splendid opraid is made on the negro. It is not portunity to win honors and benefit

A school-boy's tale—the wonder of an hour"— statesmanship—a statesmanship that

-Congress has already secured them nation, and knows just how and when -secured them in spite of Executive to meet them, and does it, if it could votoes—in spite of common sense. It lay aside mere considerations of party, is not African education, for Massa- and, in a manly and generous devochusetts is attending to that. In fact, tion to the public welfare, forget the that good and pious State monopolizes passions of the hour, and the predjuthat whole matter, and she rather en. dices of sections, it would deserve, joys it, for it furnishes a splendid field and receive unbounded praise from evof labor wherein to employ her super- ery citizen in the Republic. We wish abundant female population. It is most heartily that it could do this .none of these things. Of course not. Such conduct on the part of our Na-

can majority? Can it be supposed to nant. have power enough to withstand a Republican decree? No sane person, could for a moment, entertain so fool- which, there never was one that de- know," remarked the doctor. ish an idea. Is not the Republican manded broader statesmanship, or majority the people, and are not the that offered a better occasion for a people greater than Constitutions? Of brilliant display of those high and course. Then if that majority desire solid qualities which distinguigh the great many ways of being one." to secure Negro Suffrage through sapient legislator from the drivelling to secure Negro Suffrage through Congressional legislation, isn't it non-sense to say that they are estopped by Congressional legislation, isn't it nonwhat hinders this new raid from achieving success? Certainly no rights of the minority, no principles of the Constitution, no considerations of reason, no hopes of benefit to the negro; for it is pushed forward in entire and absolute disregard of all these. The only question for consideration is, will success is certain.

tive franchise, it is her undoubted delight than the Democracy. right to do so. And whether it is desirable or not, none but the citizens of such State have a right to determine. If to-day Michigan is disposed to act upon the question, we haven't the slightest objection to her doing so, We know personally of some Democrats who are in favor of extending suffrage to our negro population, and about the Mansion House; but that the we know of some Republicans who are opposed to it. Beyond all doubt, men of both parties, looking simply to the result of their action upon the interests of this State will act so as, in their judgment, most effectually to promote these interests. And the citizens here are entirely competent to tizens here are entirely competent to decide intelligently upon the question. quietly that the routine business of the house, has not in the least been interfered with, nor the comforts of But whether the elective franchise the guests imperilled, as is generally should be extended to the negroes of the case under the similar circumstan-South Carolina; or any other Southern State, we don't think the people of Michigan are either competent or have any right to determine. Thereing public as among the best Hotels
